TRADITIONS IN WOODWORKING CABINETMAKERS

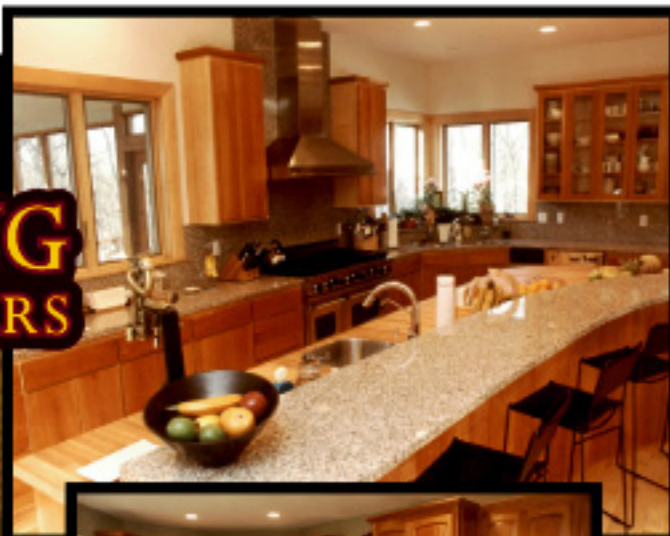

QUALITY AMERICAN PRODUCTS

Our craftsmen can design and build virtually anything you can imagine in wood. Each kitchen cabinet, bathroom vanity, entertainment center, bookcase, fireplace mantle, desk, table and armoire is crafted for the individual client with pride and a rare attention to detail.

We personally select the wood and coordinate the natural variation in grain pattern and color to ensure the beauty of your cabinetry.

- Custom-made solid wood doors, drawers and face frames
- 3/4" plywood cases
- Traditional joinery
- Long-lasting finishes
- Your choice of wood

We transform ideas into furniture and fine cabinets that are designed for you. You will receive personal service from the initial design stages to the installation of your cabinetwork and beyond. Please consider us when planning your custom woodworking.
